In applying for a place on the National Team I understand that I will be notified in writing within 10 -14 days of auditions whether successful or unsuccessful and that the decision by the Director and Staff is final.

I understand that I am responsible for my own safety and behaviour whilst in session and fully understand the commitment demanded of the National Team if successful.

In applying for a place I too understand that the Team trains at least twice a month and up to four times close to major events and that commitment is 100%. I also understand that I have to fulfill all financial implications re personal travel, team fundraising and my own uniform.
